Referrals

Spread the word about TLC Grooming and you will receive a **\$5 voucher** for YOUR next groom!

When you visit again, please take some "Buddy Bucks"! It entitles your friend or family member to receive **10% discount** on their first groom for one pet.

Nail Trim Coupons

Nails should be trimmed once a month. If not done regularly it will cause your pet's paws to "splay" (toes and pads spread unnaturally) and this is painful.

Be sure to pick up a coupon which entitles you to a **free nail trim** after the ninth one.

Vaccinations

Although we don't require vaccines, we strongly recommend that your dog is current on the following vaccines: Rabies, Canine Cough (Kennel Cough), and the Distemper Combo which includes Parvo.

If your dog spends a good deal of time around other dogs, including a mere walk in the park, it may be at risk of contracting Kennel Cough and it is highly contagious. Not to mention Parvo virus, which is one of the most dangerous, life-threatening and common viruses infecting dogs today.

Shed-less Program

For those dogs that shed year round, we use industry-special tools to reduce shedding. Grooming should be done every 8-12 weeks and this guarantees less hair in your house!

Generous Tips

I will be attending a grooming conference in Toronto in November 2009. Thanks to the many generous tips received from our clients, my airfare, accommodation and conference fees will all be covered!

THANK YOU SO MUCH! I trust that I will be able to come back and apply what I have learned.

I am a "regular" around here!
